

## Weekly Bulletin for the City High School Community ~ October 27, 2008

### **Greetings**

Second quarter is well underway. Now is when seniors begin their college application process in earnest and juniors, having just taken the PSAT, begin to look ahead to their post high school lives. It is never too early to start thinking about college. Sophomores should be focusing of maintaining excellent grades; juniors should be thinking about taking their first SAT in the spring or 09; and seniors should be focusing on their application essays and important deadlines. The Regional College Access Center, located downtown, will be holding a community forum on paying for college. Please see the flyer on the back of this week's bulletin for more information or go to <http://www.tucsonaz.gov/mec>.

### **Kudos to the City Works Gardening Class!**

As celebration of the end of 1st quarter, the City Works Gardening class organized a great cookout to demonstrate the fruits of their labor. Students spent the day finishing projects such as planting trees, grinding mesquite pods, and building two brick barbecue grills. They mixed it up with fun activities such as bobbing for apples and beautification projects. The

evening celebration was well attended by students, staff and family who enjoyed the cookout, perfect weather and the final touch of s'mores around a campfire.

### **Pay your student fees, Reduce your state taxes!**

We are still accepting Arizona State Tax Credit donations! Donations to City High of up to \$400/\$200 (filing jointly/filing singly) reduce the amount you will owe on your state tax dollar-for-dollar.
