

WEEKLY BULLETIN for City High School Families
Week of April 17, 2006

Principal's Notes

Hopefully everyone had a restful and rejuvenating spring break. We're now back with six weeks left to go in the school year. Please help your son or daughter stay focused for the next month and a half. Students will have a number of projects, performances, and presentations in upcoming weeks and will need to participate actively in order to do well in their classes. As we move toward summer, we will provide you with information about summer programs that we learn about. Please see the information on back about a highly regarded program at the University of Arizona. Those of you reading this on-line do not have access to the second page; please call me for a brochure if you're interested in learning more about the program.

Parent Workshop

On Thursday, April 20 we will have another parent workshop at City High School. This week's workshop will focus on current trends in teen drug and alcohol use. It will be organized as a panel, with 3-4 community experts in the areas of physical and emotional effects of use and substance abuse prevention. Angela Daniels, our school's Intervention Counselor, will moderate the panel. The event will take place 6:30-7:30 p.m. Light refreshments will be served and childcare will be provided if needed – please call by Wednesday April 19 to request childcare. Any questions? Call Angela Daniels at 623-7223 or email her angelad@cityhighschool.org.

Save the Date - April 29

The second annual spring fundraiser, City Highlights, will take place Saturday, April 29 from 4:00-7:00 p.m. Mark your calendars and plan on attending this fun event that includes student performances, silent auction, raffle, food, drink, and live entertainment. Look for a postcard invite in the mail soon. There are many ways that students and parents can volunteer to help make City Highlights successful. Student Radio Stories on KXCI

A group of Division II students have been working after school with Humanities Teacher Sarah Bromer and Jill Nunes of COPA (Culture of Peace Alliance) to create radio stories around the theme of nonviolence. The student recordings will be broadcast on KXCI (91.3 FM) each day this week at approximately 4:45 p.m. Listen in for City High students on the airwaves!
