

Weekly Bulletin for the City High School Community ~ November 8 '07

Principal's Notes

A group of over 40 students, 3 teachers, and a number of **parent volunteers** went out to Kitt Peak on Wednesday evening to learn more about the observatory and the field of astronomy, and to check out the night sky. Thanks go to Teacher **Jeff Hartman** for arranging this incredible opportunity, and to the parent volunteer drivers who helped make it possible. (The photo, right, shows the group entering one of the telescope towers.)

As I think you all know, we value **field experiences** immensely at City High School and try to incorporate them into the curriculum as much as possible. These types of trips cost extra money and require additional planning on the part of staff. We appreciate the help we receive from parent volunteers; extra cars and drivers really cuts down on transportation costs. We also look to our **tax credit donations** as an important source of money for field trips. Look for more information about tax credit giving in future Weekly Bulletins and on our website. It's that time of year again, and I'll be encouraging everyone to give what they can.

~ Carrie Brennan, Principal

Mark Your Calendars

We DO have school on Monday, November 11

"City High Parents" Meeting – November 13, 6:00 p.m. at City High School
Community Advisory Council – November 14, 6:00 p.m. at City High School
Thanksgiving Holiday – November 22-25

Picture Retakes on November 15

Larry Lurie Photography will be back at school next Thursday from 11:30-12:30 for picture retakes. Retakes are open to any student who purchased a photo package in September and is dissatisfied with the results; the student must bring the package with them on the 15th. Retakes are also open to any student who did not have their photo taken in September (due to absence or late enrollment).

School ID Cards Available

Students' ID cards are now available for pick-up. We charge \$5 for the ID cards. Many people paid for cards at registration in August. We have record of who has paid – just ask at the front desk. (If you like the photo on your ID and did not originally order a photo package, you can do so now – again, just ask at the front desk for an order form for Larry Lurie Photography.)

Reminders Re: School Start Time and Consequences for Arriving Late

School starts each day at 8:30 a.m. We expect all students to arrive no later than 8:25, so that they can get to their first period classes on time. A number of students are arriving late on a regular basis. Please work with your child to create a plan to change this pattern – it might mean taking an earlier bus or having the carpool leave your house earlier in the morning. To excuse an occasional legitimate late arrival to school, please call the front desk (like you would for an absence) or come in to school to sign your child in. All unexcused tardies will result in an after-school detention. If you have any questions, contact Eve Rifkin at 623-7223 x216 or eve@cityhighschool.org.

City High Sweatshirts for Sale

Get your orders in by November 26. Order form below:

CITY HIGH SCHOOL SWEATSHIRT ORDER FORM

As the Narwhal design competition comes to an end it's time to announce our new line of sweatshirts featuring our mascot! Sweatshirts will be hooded with your choice of gray or black, zippered or pullover. Also you can have your name embroidered for just \$5 more! Just fill out the order form and turn in money to Roz Wolfe no later than Monday, November 26th. Please have checks made out to City High School.
