

Weekly Bulletin for the City High School Community ~ March 5, 2010

From the Director's Desk

There is a lot of effort and excitement right now as students and staff gear up for **multi-day field trips** in grades 9, 10, and 11. This is a really great learning opportunity for everyone involved, and we hope to see close to 100% involvement on the part of students. I encourage parents to reach out the trip leaders if you have questions, especially if you were unable to attend the parent information meeting for your child's trip. (See contact info below.)

Quarter 3 ends next week. This is a key time to work closely with your son or daughter to ensure that they are caught up in all of their classes and on track to earn the grades that they are shooting for. **Power School** is a very helpful way to stay connected with student progress week-to-week. So far this semester (Jan-March), we have had 1405 logins to Power School by parents and students; as part of this login activity, records were accessed for 65% of our student body. If it's been a while since you logged in, I encourage you to do so in the next few days. If you need help, contact IT Coordinator John Wolfe, 623-7223 x219 or johnw@cityhighschool.org.

Activity Fees & Student Travel Fee

Families who have waited to pay their activity and travel fees need to follow through on these commitments ASAP. To get an update and/or to work out a payment plan, contact Business Manager Yash Shah at 623-7223 x220 or yashs@cityhighschool.org.

Successful Renaissance Day ~ Congrats to Jason & Elliott's Advisory!

Jason and Elliott's advisory has been going 'above and beyond' with their advisory activities this year. They've held multiple barbecue fundraisers to raise money for both the Humane Society and Doctors Without Borders Haiti Relief. Their latest achievement: the first ever Renaissance Festival held during Whole School Meeting today. Students stepped up to juggle and perform sonnets. Students also entered Renaissance-inspired paintings and drawings in an art contest. The main attraction was an acrobatic performance by Nail Emmert (far right) and winners of the costume contest were John Kramer and Tara Wright (2nd and 3rd from the left).

Wishlist Revisited

Thank you so much to all of the parents who brought in supplies earlier in the year. We're running low on a few items and would love your help! We can never have too many of the following items ... **Boxes of tissues & Disinfectant wipes.**
